Dedication

Years of loyal service and devotion to all the interests and activities of our school have made her name synonymous with Centennial. Her sparkling and magnetic personality has charmed and inspired all who have come within the wide range of her influence. A graduate of Centennial herself, she gives generously of her time and efforts that the fame of Centennial may increase.

In appreciation of her invaluable and untiring direction and leadership, we of the 1942 Year Book staff dedicate this annual to our beloved and unsuspecting "Andy."

With the very best wishes to the finest manager business Book has ever had.
Sincerely,

Foreword

For the past quarter of a century the activities of Centennial have been directed along normal channels—furnishing the on-coming generations of America with the essential cultural and technical backgrounds to prepare them for finding their proper place in the world.

But since the memorable month of December, 1941, when we were plunged into the greatest war the world has ever known, our thoughts have been directed toward the preservation of free institutions of which Centennial High School is a symbol. This is the record of a year in which our thoughts have been focused upon a deeper appreciation of our liberties and a firmer dedication to our responsibilities as future citizens.

We trust that by our thoughts and actions we have shown our devotion to our country's cause, our willingness to make sacrifices, and our cooperation with all patriotic undertakings. May we have done our part to keep Old Glory flying from our Centennial flag pole—a symbol of freedom for all the world!

—JANE FLETCHER.

Bob, you have done a fine job in all your activities & I wish you all the success and luck in the world. Best of luck

Here's wishing you a Lot of luck & diplomacy!

Associated Centennial Officers

★

Student participation in the conduct of the affairs of Centennial is provided for by the A.C.O. This organization gives opportunity to students and faculty to discuss and adjust mutual problems. Its membership consists of all class officers and a representative of each organization.

Among its duties it lists the following: directs hall guards, horsemen, and fire drills; awards the Centennial "C"; sponsors a clean-up campaign; supervises the safety council and Centennial Junior Red Cross. This spring the A.C.O. was host to the South Central Conference of Student Councils.

This year Charles Young served as president, Dorothy Thompson as secretary, and Mr. Heaton as sponsor.

Centennial Junior Red Cross

★

For the first time in the history of Centennial, a Junior Red Cross Chapter has been sponsored in our school. In our yearly drive for membership, we were one hundred per cent successful. Affiliation with the County Chapter of the Junior Red Cross was completed this year.

At Christmas time our chapter prepared baskets for the needy, and throughout the year we collected magazines for our armed forces. Since December each class under the supervision of its vice-president, has had an individual Red Cross project. The Freshmen have been collecting collapsible tubes, the Sophomores gathered discarded razor blades, the Juniors solicited canceled stamps, while the Seniors have been collecting and selling scrap paper.

Charles Young has been president of our Chapter during the past year.

CLASSES

C. YOUNG, MR. SMITH, E. DEDMAN, V. HUNTER, D. THOMPSON

Senior Class History, 1942

With the echo of "Remember Pearl Harbor" ringing loudly in our ears, the class of '42 prepares to evacuate Centennial's familiar halls. Here we have known joys and disappointments alike and have profited by them.

It is with regret that we turn our backs on our high school days. We can vividly remember our first year in Centennial when, as freshmen, Mr. Jehle took us under his wing. Orville Dowling, George Siegle, Virginia Hunter, and Dorothy Thompson took their places as class officers, while James Carson led the lusty cheers issuing from the center section. We were never a timid class; from the first day we were always under-foot, striving for recognition. D. G. Douglas and Peter Douglas soon made names for themselves on the football field. By winning the county basketball tournament, our team added glory to the class. Phyllis Walker and James Carson were honored with the Shakespeare Scholastic Awards, and Priscilla Kettering came into the lime-light by writing the freshmen vodevil act.

In our sophomore year, Mrs. Farnworth was our class advisor. Peter Douglas, aided by Whitney Warden, Virginia Hunter, and Dot Thompson, presided over the class. Our chests swelled with pride when Freddie Innes walked off with the Vories Medal, Bob Cross won the essay contest on Americanism, and Ruth Bergeson returned from the state rifle meet with first place.

As our junior year got under way, Mr. Smith became our critic. Charles Young, president, was assisted by Peter Douglas, Virginia Hunter, and Dorothy Thompson. The cheering, now quite loud, was directed by Jerry McCarthy. This year, on the recommendation of a joint committee of faculty and class members, the first class council was selected. It was made up of the four class officers and Peggy Jones, Jane Fletcher, Phyllis Walker, Priscilla Kettering, Freddie Innes, Emory Dedman, Bob Brimmer, Bob Cross, and Whitney Warden. The class won state-wide recognition when nine members were chosen to represent Centennial at the International Relations Conference. Dramatic talent was unearthed when Robert Rogers, Jane Fletcher, and Denzil Pauli emerged with leading roles in the mystery play, *Through The Night*. The seniors gasped when Carol Barnhart and Gerry Reynolds emerged triumphantly with the coveted awards of the Muzzio Reading Contest and the Hesperian Essay. Nan Walker, our song-bird, received first rating in the national music

festival in Topeka, while Phyllis Ditty walked off with the Vories Debate Medal.

In our new and elevated position in the balcony, we were again guided by Mr. Smith. Chuck Young held the position of president. His cabinet showed few changes: Emory Dedman, vice-president; Virginia Hunter, treasurer, and Dottie Thompson, secretary. During the course of the year James Carson, Don Craddock, Whitney Warden, Joyce Lambuth, Bob Williams, and Tom McIntyre acted as yell leaders. Denzil Pauli edited the class paper, *The Organeer*.

We were all busy with school activities. The work of the Speech Class was outstanding. They produced and reproduced an unusual rhythm play entitled *Common Clay Court*. Robert Rose and Phyllis Ditty aired their views during a discussion of democracy and education broadcast over KGHF. At Christmas an old favorite, *Why the Chimes Rang*, was beautifully enacted. The long anticipated senior play, *The Royal Family*, turned out to be a great success, and starred Maryl Beck, Dorothy Thompson, Jane Fletcher, and Robert Rose.

This year two seniors, Freddie Innes and Phyllis Walker, competed for the Hesperian Essay Award. Phyllis emerged victorious with a selection entitled *My Kid Brother*. Robert Cross won honor by placing first in the local American Legion Oratorical Contest. Senior contestants for the Muzzio Reading contest were Jane Fletcher and Mildred Gwartney. Dottie Thompson reigned as Sports Queen, Jane Fletcher was presented the D.A.R. award, and Queen Norma Newman presided over the circus with Dot Thompson and Jay Thomas as her senior attendants, while by vote Chuck Young and Betty Farabee were chosen the most popular boy and girl in Centennial.

The pace-setters in debate were Phyllis Ditty, Robert Cross, and Charles Houston, squad captain. The R.O.T.C. led a busy year under the colonelship of Jerry McCarthy and the colonel's lady, Dorothy Thompson. The leading roles in the operetta, *Rio Rico*, were sung by Nan Walker, Maryl Beck, Ruth Burgeson, Betty Bunnell, and Bob Rusk.

The class of '42 shone in the field of sports. Don More, Dave Amaya, and D. G. Douglas made the all-conference football team. Peter Douglas, Clarence Wagner, Bob Oakley, Don More, and Alex Boyd were stars of the court. As this history goes to print, it is rumored that D. G. is the outstanding hurdler and pole-vaulter in the state, while Speed Williams is said to be the best broad-jumper in the school's history, and Willard Oviatt is expected to make record time in the cross-country run. The girls' rifle team again returned triumphantly from the state match. This time Jane Fletcher won first place and Ruth Bergeson second.

The efforts of the senior class did not stop with school activities. We acted as the school's guiding light in defense work. A small booth, situated on the second floor, was the center of our defense stamp sale. This was headed by Stanley Wilson. We also undertook the task of collecting, baling, and selling paper. Emory Dedman and Jerry McCarthy supervised the work, and the proceeds were added to the class memorial funds. The class of '42 is proud of its memorial. It was unanimously voted to donate our funds to the Red Cross. On February 3rd, we were able to present them with a $400 check, and by the end of the year, we hope to double this amount.

Graduation time draws near—Phyllis Walker and Bob Cross are to be the student speakers at commencement. So now with this thought we say good-bye.

Today as we leave these well-known halls,
A spirit of loyalty marks us all—
Loyalty to country, to home, and to school,
With a hatred of oppression and a tyrant's RULE.
For the principles of democracy exemplified here
Will live with us all through many a year.
So with our foundation already laid,
We go forth with high hopes—daringly unafraid.

—DOROTHY THOMPSON.

All Out for Centennial

"Bang," sounds the gavel.

"The annual meeting of the Alumni of Centennial High School is now in session. Secretary, what is the first business to come before this council"?

"The reports from the different classes telling what they have done for the school and the nation".

"We'll have this bright-looking boy here tell us about the class he represents".

"I represent the Class of '43. When we first entered Centennial, we felt a little strange, but with such leaders as Albert Porter, Dudley Miller, Mona Lee Dameron, and Margaret Wolf, we soon became adjusted. Every worthy activity was ably supported by our class. The Shakespeare Prize Winners were Albert Porter and Josephine Dimes.

"Then, when we were elevated to Sophomores, Miss Cunningham took over the job of sponsor which Mr. Jehle had performed so well. We really settled down to work then as we became used to everything. We were well represented on the Debate Squad as well as the athletic teams. Our officers this year were Harold Smith, Dudley Miller, Mona Lee Dameron, and Nancy Stephan.

"After that successful year, we moved to the right, downstairs. This year's class officers are Albert Porter, Harold Smith, Mona Lee Dameron, and Nancy Stephan, with Miss Cunningham continuing as our sponsor. The Junior members of the 1941 football team were Jack Trevithick, James Amaya, Johnny Heron, Richard Bailey, Salvy Hernandez, Jack Duane, Putt Hill, Ed Larson, Haskell Morell, and Arthur Valle. On this year's basketball team we were represented by Ansel Gower, Putt Hill, James Amaya, Bob Albo, and Jack Murphy. There also were many Juniors on the second teams. There are a great many Juniors on the wrestling team, debate team, track team, and in other clubs and societies. We also participate in the collection of waste paper, razor blades, collapsible metal tubes, and cancelled postage stamps for National Defense. Juniors also are really behind the weekly forums and help to make them a success. Also many Juniors are on the Year Book Staff and the Newspaper Staff. The band and orchestra as well as the R. O. T. C. are crowded with members of this class. This year we were one of the first classes to completely enroll in the Junior Red Cross. We support the sales of bangles for crippled children and tuberculosis patients. We decided at the first of the year to raise our dues so that next year we will pay a smaller amount.

"We are looking forward to an even better year when we move into the balcony next September, and then we will do even more for our school and country than we have this year."

—EDWIN JONES.

United We Stand

Under full sail we embarked on our maiden voyage in the "Good Ship '44."

Nautical officers on this journey were Lyle Kingery, captain; Jack Skinner, first mate; Ruth Gower, steward; Joan Hyde, purser; Veryl McMillen, fog horn; and Mr. Jehle, navigator.

In reaching our first port of call, the crew selected a few new officers. These were Jack Skinner, captain; Ethel Morton, first mate; and Bill Moery, fog horn.

To us was then given Mr. Greene as permanent navigator.

Endeavoring to aid in defense of our country, "Ship '44" gave more magazines to the men in training than any other crew.

Doing our part to help put on the vodevil, members of the crew took part in several different acts.

When it came to football, Bill McDonnell made his letter with Dean Hanna, Fred Dickerson and Lyle Kingery making the "A" team.

Ensign Lyle Kingery was the only sophomore to make the first team basketball squad.

Ship's crew and officers presented an assembly, the first to be given by a class as a class as a whole for some time.

To Bill Moery and his colleague went the South Central Debate championship. Other sophomore tars who engaged in debating were Jacque Robb, Betty Lou Nafe, and Agnes Neis.

Attending all the various activities, our crew showed its true spirit.

Nearer each day to our next port we are better acquainted with ourselves and our associates.

Dropping anchor with our Junior Harbor in view, we are now well on our way to success.

The Bulldog Song

On ye loyal Bulldogs of the Red and White
For victory awaits you today,
Raise the colors higher, everybody cheer,
We will not fail, we'll show them all, Hooray!
Cheer on our team to new victory,
They'll cheer, but so will we,
Rah, rah, rah,
On ye loyal Bulldogs of the Red and White
And we'll win this game today.

Americans All

This year the freshmen have had a finger in almost every pie Centennial has had. We know that the Class of '45 will go down in the records as one of the best in many fields.

Under the able leadership of our president, Mark Longfield, our vice-president, Lain Ready, and our secretary, our treasurer, and our long-winded yell leader, we have been guided from our puzzled place on the side lines into the swing of Centen's scholastic and social life. Twenty-three of the freshmen received an all One average for the first semester. A group of freshmen warblers, featuring Harriet Goodman as soloist, sang in the Vodevil. Splendid school spirit, class spirit and loyalty have been shown at all the athletic games in which Centennial took part, and in our own Freshman Club. A large percentage of our freshmen boys received letters in football and basketball, while the girls made a fine showing in the twirling drill team. What would the Circus have been without freshmen? You will find us represented in almost every society the school has.

In years to come other members of our class will join the ranks of the members of these organizations. Each year we will approach our goal of more loyalty and school spirit. Learning these things now, under the careful guidance of an ever-so-wise-and-helpful critic, Mr. Jehle, helps prepare us to make Centennial a bigger and better place.

National Honor Society

President, Whitney Warden
Vice-President, Denzil Pauli *Secretary-Treasurer,* Charles Houston
Critic, Miss Isabelle Tour

By what they do and what they are, the organizations of our high school each contribute to the many-sided personality of Centennial as a school. Some offer color, some service, some unity. The National Honor Society's particular contribution cannot be measured by any of these; it is measured, perhaps, by the future more than anything else. For we who enter this society have been given a responsibility lasting as long as life—to endure more; to achieve more; to understand more; to give more. The watchwords of National Honor Society are Character, Scholarship, Leadership, and Service. Its members, fifteen per cent of the senior class chosen by faculty vote, are elected on this basis.

National Honor Society is organized internationally. It was founded in 1921 and has grown until today there are more than fifteen hundred chapters scattered over the world. It was instituted in Centennial in 1927 and its first president was our own Miss Winifred Gahagan. To be a member is a coveted goal, for it is one of the highest honors Centennial can bestow upon her students.

Debate

This year the debate squad discussed a question which will probably affect every boy in Centennial. It was: "Resolved, that every able-bodied American male citizen should have a year's military training before attaining the present draft age."

Due to early-season inconveniences, the squad did not get to go to the tournament at Chadron, Nebraska, but did win first and second place in the district tournament. And in their first big tilt at Greeley they got as far as the semi-finals, after gaining decisions over some of the toughest teams at the meet.

At the state contest held in Boulder, the "guys and gals," even after a series of bad breaks, won a "superior" rating, a commendable showing on any man's team.

The debaters, after having had some bad luck, were rather worried about the District National Forensic League Tournament, also at Boulder. However, Bob Cross, Phyllis Ditty, Dudley Miller, and Squad Captain Charles Houston came through with flying colors. This group trampled all over the best teams in the three states of their district to win an undisputed first place—a typical finale for a Centennial Squad.

Due to this fine showing, Bob Cross, Dudley Miller, and Joseph Bullen won berths on the first string—leaving it up to Bullen and Miller to carry on and win new laurels for Centennial next year. They will continue this year's record of honors as long as there's a fighting breath in old Centen'.

Boys' Science Club

The purpose of the Boys' Science Club is to study scientific advancement and stimulate a greater interest in the subject. In order to obtain the best possible results each meeting is devoted to a program consisting of a report or an experiment prepared by two of the members. At the end of the year two medals are awarded those members whose program was considered to be the most interesting and educational. Under the capable guiding hand of Mr. E. C. Jones the club has enjoyed many successful years of scientific study.

This past year the club went on two out-of-town excursions—visiting the Portland Cement Plant at Portland, Colorado during the first semester and the Alexander Film Company at Colorado Springs the second semester.

The officers for the first semester were Emory Dedman, president; Bill Burney, vice-president; Bob Rusk, secretary; and Don Craddock, scout. The second semester found the club headed by Bill Burris, president; Dale Cochran, vice-president; Whitney Warden, secretary; and Al Porter as scout. Phil Burney was the treasurer for the year.

Commercial Club

To furnish the economic world fine young business women is the purpose of Centennial's Commercial Club. It provides its seventy members with an opportunity to become better acquainted with the business world before they enter it and stimulates social intercourse among girls majoring in commercial subjects.

During the year we have had prominent business women of Pueblo speak at our meetings. Once during each semester we visited a downtown business establishment.

One interesting feature of this club is that all the meetings are conducted entirely in Spanish, which would certainly keep the rest of the school bewildered during the entire meeting.

On April sixteenth the club gave a picturesque assembly in honor of Pan-American Day.

Rough Riders

A rip-roarin', rootin'-tootin' gang of Rough Riders took over the gym every Monday after school. The cries of "do-se-do" and "swing on the corner like swingin' on the gate" could be heard above the whoopin' of the cowboys and gals clear to "big hill." A good time was had by all.

Officers for this year were as follows: Charles Haling, the roughest rider; Kenton Darr, the roughest rider's substitute; Bob Rusk, keeper of the money belt, and Priscilla McCabe, custodian of the saddle bags.

Many activities were enjoyed by the Rough Riders during the year, among which was the invitation to join the Park Hill Spanish dancers in an afternoon of old-fashioned square-dancing. They also had the pleasure of witnessing the Lloyd Shaw dancers from Colorado Springs and the privilege of dancing for the U. S. O. at the Union Station to entertain the soldiers from one of the troop trains. The last rough ride the club took was the annual picnic at the end of the year.

Football

A successful season was promised for Centennial when 15 lettermen reported to the coach early in September, and a successful season it was, with the team winning eight games and losing two.

Newton Bennett, at his new post of fullback, Don More, and Dave Amaya starred as Centennial crushed Dawson, New Mexico, under a 26-13 impact. Fumbles spoiled the second game on the schedule, as the Las Animas Trojans pushed over two scores in the final period. Revenge was in order the next Friday as the Bulldogs swamped Lamar beneath the lights at Centennial stadium.

Everyone played brilliantly, and the team looked like real champions as Centennial won its first league victory over Walsenburg. Behind perfect interference, D. G. Douglas chalked up 18 points with runs of 45, 45, and 55 yards. Trevithick and Bennett looked good on defense, and "Newt" kicked the only field goal booted in the conference all season.

Colorado Springs proved to be the next victim of the Bulldog gridiron machine. Feature of the day was "Chuck" DeJoy's 85-yard touchdown.

In the Central game, Centennial's fighting team kept the Wildcats from crossing their own 40-yard line until the final quarter, when the northsiders fell to pieces, and Central scored 21 points. On the following Wednesday the State High School Athletic Commission ruled that Central should forfeit the game 1-0 after the Wildcats had confessed to using two ineligible men against the Bulldogs.

Trinidad's undefeated record was spoiled as the boys in red solved the "T" formation to win 13-0.

Center More, converted to fullback, and substitute tailback "Monk" Wagner led the Bulldogs to victory over the Florence Huskies the next week. Another mark was put in the win column after Centennial took the measure of Canon City in an Armistice Day game at Pueblo.

In the last and deciding game of the season, the Bulldogs went to Salida to play for the league championship. Centennial drew first blood when D. G. Douglas passed to DeJoy in the end zone, but Centennial men were soon forced to the sidelines with injuries. The diminutive Spartans then turned on the steam that took them to the state finals. Many seniors played their last game for the Red and White, but all played it well.

Twenty-six boys were awarded their football letters, 9 of whom will return next season. "Punky" More was elected honorary captain for 1941, and Bennett and D. G. Douglas were elected to the all-conference team. Bennett was also selected second team tackle on the all state squad, on which Douglas and More received honorable mention.

Both coaches and players should be commended for the fine showing of the team in bringing second place in the South-Central league to Centennial this year.

A second South-Central league championship in three years was the fitting climax to the coaching career of George Grosvenor.

His boys looked like the prize washouts of the year when they lost three of their six pre-season practice tilts. Las Animas did the trick twice, and Salida turned in the other upset, but the Bulldogs showed that they were still full of fight when they slaughtered St. Pats 49-12 and turned in two lopsided wins over Canon Abbey.

When the time rolled around for the games that really counted, the Red and White was in top shape, and they chalked up a victory over the strong Miners from Trinidad. Oakley and Wagner led the scoring.

The second league win came at the expense of the tall Central Wildcats. Wagner was the star of the game when he held the Wildcats' sharpshooter, Plese, to a goose egg in the scoring columns.

The boys coasted the following evening when the Walsenburg quintet came to town. The first team ran up a 15-0 score at the end of the period before turning affairs over to the second squad who won 33-15.

Undefeated Florence made our Bulldogs overcome a three-point halftime lead and outscored the Huskies 27-9 in the last two periods to win 41-25. Wagner, Amaya, and Douglas were credited with ten points each.

Centennial supporters brought out the crying towels when Colorado Springs caught the Grosvenorites on an evening up in Terror town when they were ice cold and shoved them off of the undefeated list in a 24-15 upset.

Revenge was had the following week at Canon City when the boys from Steeltown held on to their conference lead and slapped down the Tigers 30-19. Wagner and Oakley dominated the evening's scoring.

Central came back for more, and again it was Bulldog who pasted Wildcat, but this game was a real thriller, played in the P.J.C. gym capacity-filled with screaming fans. With time running out fast, Central moved to within one point of Centennial, but Albo's free throw put the game on ice, and the North-siders won 31-29.

"Monk" Wagner had his biggest night of the season when he dropped in 19 points to pace Centennial a win over Florence.

A trip to Trinidad proved very profitable for our Bulldogs, for they not only won, but they put behind them one of the toughest games on their schedule. The game was close all the way and was only clinched in the closing minutes by free throws by Amaya and Oakley.

Grosvenor's proteges won a 27-13 breather down at Walsenburg and then came back to Pueblo the next evening for the main event with Colorado Springs. Vengeance was sweet for our boys, as they literally ran circles around the Terrors, and sent them home to grieve over the worst defeat suffered by any conference team. This put the Centennialites two games ahead of their nearest opponent and gave them the conference crown. This two game lead was whittled to one on the following week when Canon City upset the Bulldogs 26-21.

In the opening game of the state tournament at Denver, West Denver led Centennial up until the final minutes of the game, when our boys went ahead 28-26, only to have the Cowboys force the game into overtime with but 40 seconds remaining. It was then that the best offense and defense in the South-Central went into action and West failed to tally in the next three minutes, while Amaya, Dowling, and Oakley hit the hoop to win the game 34-28. Oakley was high man with 13 points. The triumph was short lived, for the following evening our fighting Bulldogs ran up against the Longmont Trojans—who later became state champs—and were defeated 32-21.

Peter Douglas, Wagner, and Oakley made first team all-conference, and Wagner was voted honorary captain for the year by his team-mates. Letters were awarded to 12 boys, 6 of whom will return next year to work for more honors under the new head coach, Scott Thompson.

Because of the fact that the Annual goes to press before the final track results are in, the Annuals in the future will endeavor to carry the results of the past season and the achievements to date of the present squad.

The 1942 squad appears to be the best all-around team for several years and has already taken second places in the Centennial and Trinidad Invitational meets. The team placed high at the Colorado Relays and plans to enter the Denver U. Relays, Colorado College Relays, South-Central meet, Dual engagement with Central, and the State meet at Boulder. Outstanding men on the squad are Captain Clarence Wagner, D. G. Douglas, Salvy Hernandez, Bob Oakley, and many others.

The Southern Colorado Match, consisting of two-man teams, was won by Ellouise Orr and Marjorie Jefferson. Ellouise received the highest girl's score. At the state match in Golden the first team succeeded in bringing back the championship placque for the 10th consecutive time. Jane Fletcher placed first in the individual competition, Ruth Mary Bergeson, second, and Jean Sawyer, third. Numerous matches throughout the year with the Central and Centennial boys' teams added much color and interest to the club's activities. The freshmen girls held their regular fall and spring contest, and Norma Jean Davis was the winner of the first match. The captain for the year was Jane Fletcher, and Ruth Mary Bergeson held the position of treasurer.

Under the tutelage of Mr. Moery, the Bulldog golf squad members have made a fine showing on the greens this season and have proved themselves one of the best teams in the South-Central league.

Something new has been added. For the first time in the history of the school, wrestling was included in the Centennial sports curriculum. Over twenty-five boys reported to Coach Hector, who taught them the fundamentals and trained them. Several practice matches were held with Central. Jerry White, Bill Hatton, Bill Ludwig, Kenton Darr, Evert Fowle, Richard Coburn, and Jack Trevithick became the proud owners of Centennial's first wrestling letters.

Vocal Music

The Cecilian Choir continued to win laurels for itself and Centennial this year when Noble Cain, National Music Critic, dedicated his *Ah, Love But A Day* to them. This was one of the greatest honors which can be bestowed on the choir and Centennial. Harriet Goodman and Nan Walker, members of Cecilian, received superior ratings in the Music Festival and participated in the National Contest in Omaha, Nebraska, where Nan was given a highly superior rating and Harriet an excellent rating.

The choir sang at several civic and school organizations. They presented the cantata, *Pan,* and also sang at Commencement.

The Mixed Glee Clubs put on a colorful Operetta, *Rio Rico.* Romance, mystery, and adventure took place on a south sea island. Hilarious incidents, tap dancing, a colorful balletina by blood-thirsty pirates, a radio broadcast to America, and much singing made it "Tops" in entertainment. The main leads were taken by Maryl Beck, Nan Walker, Robert Rusk, and Bill Roberts.

Many compliments were received at the Music Contest held here. The talented musical groups of the Vocal Music Department are outstanding among Centennial organizations. These young people know that much of their success is due to the untiring work of their critic, Mr. Collins.

WHY THE CHIMES RANG!

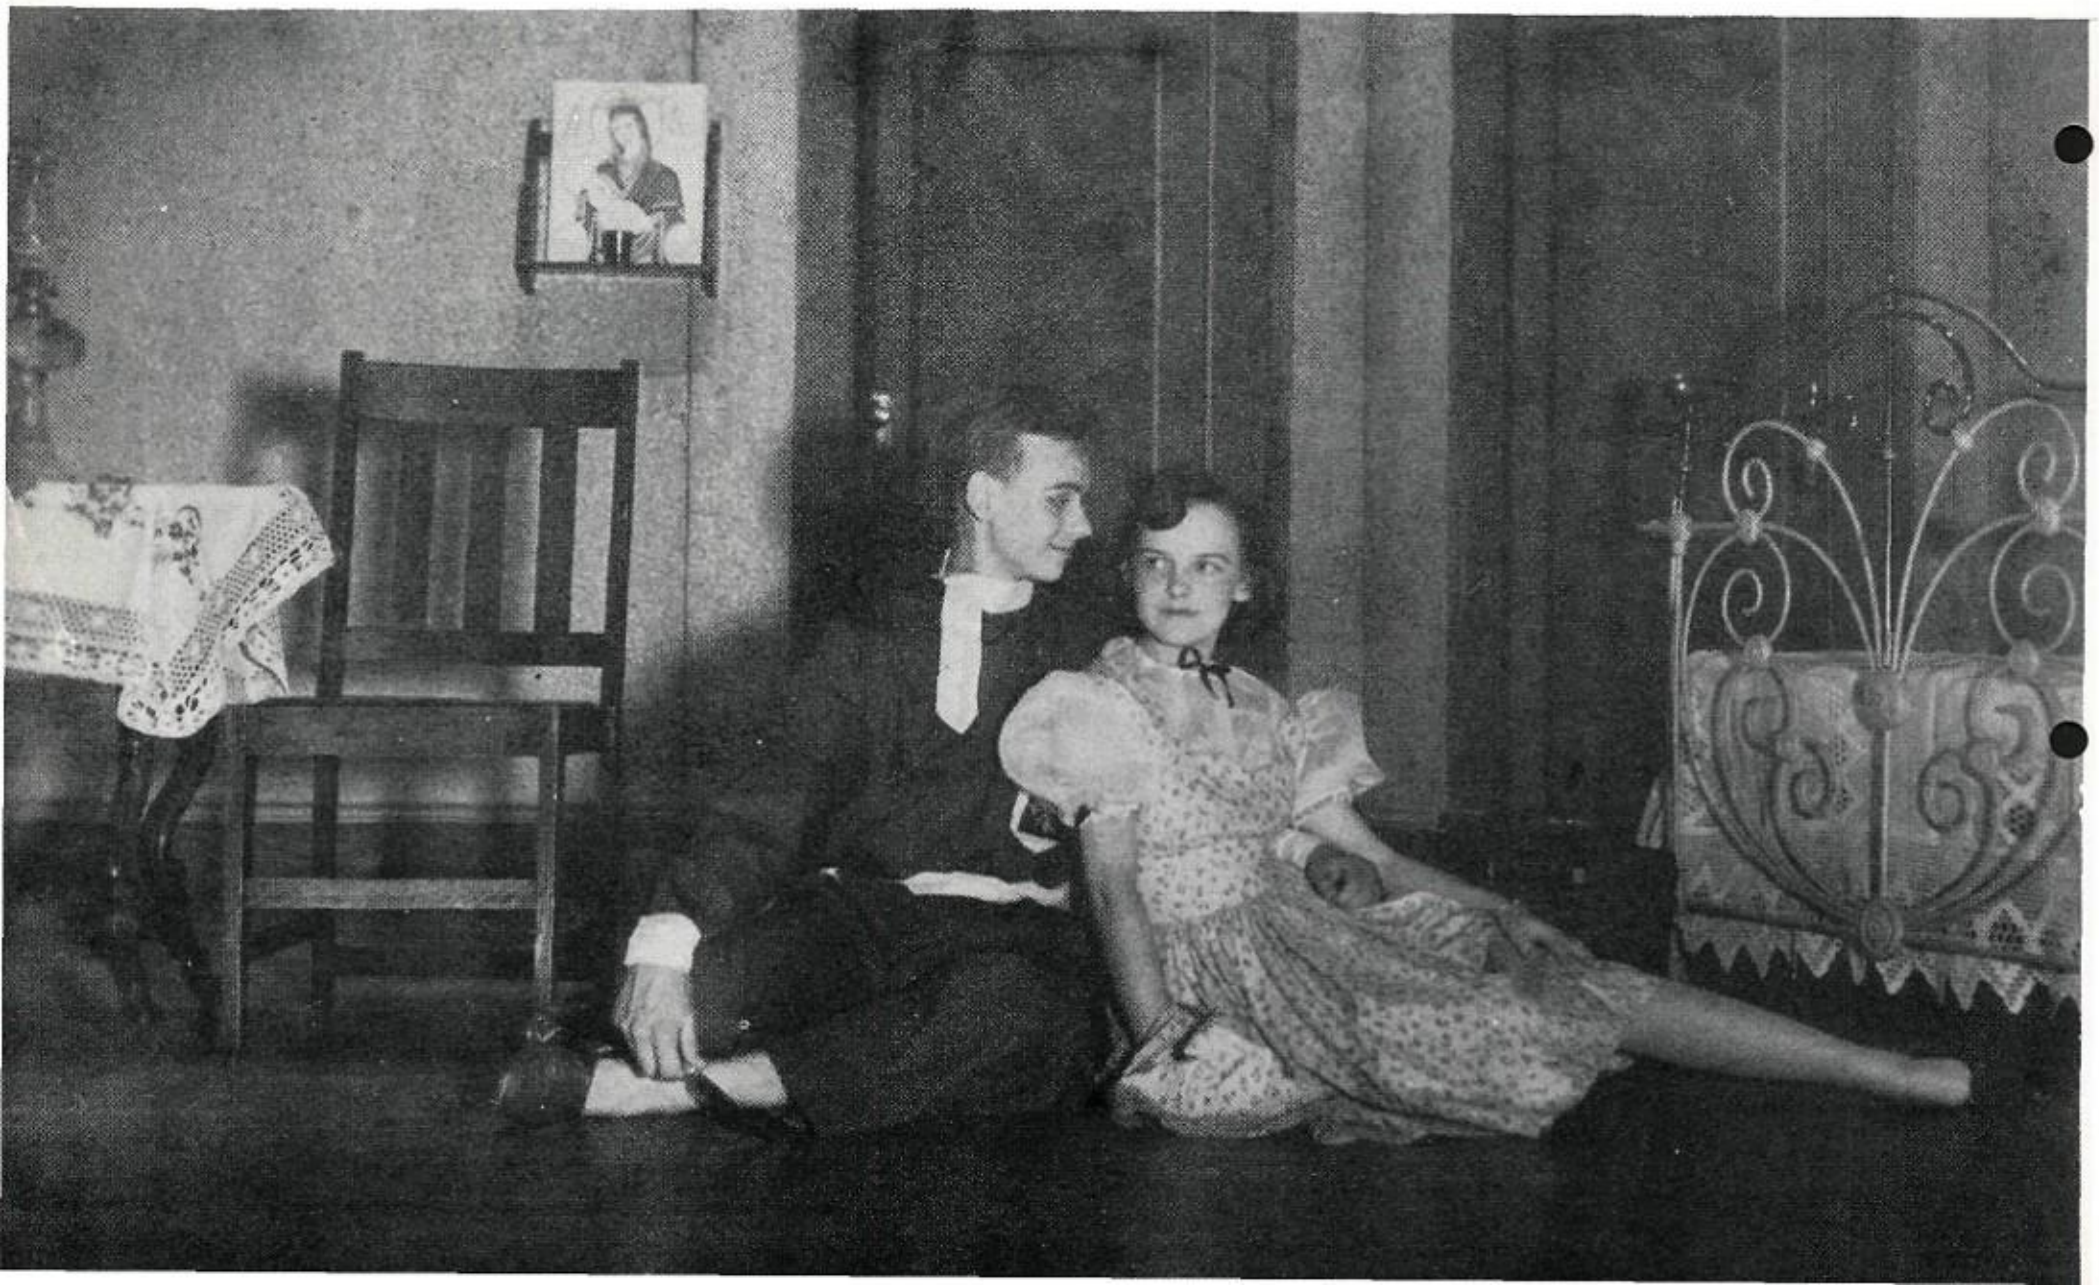
The Play's the Thing

Why we came to the darkened auditorium perhaps we will never know, but suddenly and without warning, here we are. Hither and yon we see, scattered on the floor, programs of the dramatic presentations by the Centennial Speech Department.

Idly picking up a program we notice that the play, *Common Clay Court,* was presented as part of the vodevil. Some mysterious force impels us to settle comfortably in our seats. And then, wonder of wonders, the curtain rises on the court room scene! The play, a saucy entanglement of a family, by George M. Cohan, rhythmically rollicks along to an improvised musical accompaniment by Mr. Collins.

As the curtain falls, we, somewhat phlegmatically, choose another program. While looking at the program, we hear the wind dashing snowflakes against the window panes. It's Christmas time, and our play is *Why the Chimes Rang*! written by McFadden. The play, done half in pantomime, is a beautiful story of faith and sacrifice. It is only when Holger gives his few, long-saved pennies to the little Christ Child, that the beautiful chimes from the Cathedral ring.

TOVARICH



The curtain rolls down, and we perceive a change of atmosphere—the month is May, the windows are open, and the warm South breeze gently wafts through the audience.

Anxiously now, we eagerly seize another program and hurriedly glance at the title of—the Senior Play! The play is the story of the famous Barrymore family—*The Royal Family!* The audience breathlessly awaits the signal for the raising of the curtain, for they know it's sure to be a hit! How could it fail? It was written by George S. Kaufman and Edna Ferber, and besides, the proceeds of the two-night performance go to the American Red Cross!

Almost before anybody is conscious of the fact, the three-act comedy is over, and the curtain is lowered for the last time of the season. The audience pays its final tribute to Miss Winifred Gahagan, who, by her able directions and generous criticism, has won for herself a place of distinction.

Now the auditorium is dark again, and we find ourselves sitting in our seats clutching three slightly soiled and wrinkled programs. All that we have left is our memories, but we take renewed interest in the coming season, for we know, "The Play's the thing!"

Dear Bob,
That a mighty fine picture of you on this page. Well, it's been heaps of fun knowing you. There has been little friction now and then but then life would be so dull without it. (Ha, ha.)
Well, be good, have fun + stuff like that there.
Cilla

Well—Here's your book,
We've done our best—
we hope you've read it through—
And now we'd like to leave a *wish* to
you—and you—and you!
May coming years hold for you all
more laughs than sighs and sobs,
And here we are, now signing off—
Peg and Jane and both the Bobs.

Lots of Luck.

Dear Bob-
. We've had a lot of fun on the staff this year. I wish you weren't graduating. I'm glad because we called "word" a lot more. Next time don't say such funny things about me when I'm not present. Is there — if you know what I mean.

Nancy

Bob. Hey there. I hear that you are a kid & I discover, marked yellow at the top of your head. You owe me fifty cents.

Mary

Dear Bob,
I certainly appreciated your saying such nice things about me. You're wonderful. Bye. Bye. Bye. And I thank you so much for being such a swell friend all these years, but am sorry that I have to leave you. Remember, you're expected to keep in touch with me. Don't forget me. Don't let me down. Don't change. Don't do anything I wouldn't do. Don't do anything you wouldn't want me to do. Don't do anything you wouldn't want me to know about

Dear Bob:—
Here's hoping you
lots of luck and success
after you leave dear old

Dear Bob,
You've done a "swell" job on the
staff this year. We couldn't have
gotten the annuals out with-
out you! I wish I had the
knack of hanging on to money
like you have. I hope you have all the
best of everything. You deserve
to go far! You are one of the "swell"
boys I've known.
Peggy Jones

Dear Bob
You sure did
a swell job inspecting
out the annuals this
year.
Lots of luck
